Doing Business with ABS

paid within thirty days, but in no event will the monthly service charge exceed 1/12 of the annual percentage rate allowable under applicable state laws. Note: Prices and terms, designs, material specifications, weights and dimensions are subject to change without notice.

Returned Goods

Advanced Beverage Solutions will not accept any returns without prior approval or consent, which will be given or withheld at Advanced Beverage Solutions' sole discretion. Upon approval a RMA (Returned Materials Authorization) number and bar coded label will be provided. If the product or part is in new, unused condition and in its original carton with all the original packing and is a configuration appearing in our current catalog, it will be accepted (subject to approval stated above and any applicable service fee). A credit will be issued amounting to the original selling price or current selling price; whichever is lower, less the applicable service fees.

0-30 Days 10% service fee
31-60 Days 20% service fee
61-90 Days 30% service fee

***No returns will be accepted beyond 90 days. You can expect the credit to be applied to your account within 5 business days. Products or parts returned to Advanced Beverage Solutions for credit or reimbursement, having a value of less than \$25.00 will not receive credit. Used or discontinued products or parts will not be accepted for credit under any circumstances, unless prior approval has been given as previously stated. All returned products or parts must be sent freight prepaid and be properly marked with the provided barcode label and RMA number. Any deviation from this procedure will result in delayed credit processing.

Order Cancellation—Non-Cataloged Products & Parts

Extended lead times will be required for non-cataloged products or parts. A cancellation charge of 30% of the purchase price will be assessed for the products or parts ordered in a non-cataloged configuration when cancelled prior to shipment. If the non-cataloged configuration has been shipped prior to receipt of cancellation notice, the goods cannot be returned for credit.

Freight Damage Claims

In the event of a shortage, notify the carrier as well as Advanced Beverage Solutions Customer Care immediately. In the event of damage, notify the carrier. Advanced Beverage Solutions is not responsible for damage occurring in transit, but will gladly

render assistance necessary to pursue your claim. Products or parts MUST be inspected for concealed damage within 15 days of receipt.

Ordering Information

Please check the part numbers carefully when ordering. Be sure to include: Quantity, Part number, Description, Purchase Order number and specific shipping details. When ordering products or parts for equipment, designate product information and color where it is necessary to match equipment you are repairing.
